The Restaurant

Big Chow Grill boasts state-of-the-art lighting, contemporary tables and chairs, whimsical bright colors, inviting art, hardwood floors, exposed ceilings and a casual industrial feel. We offer heart-smart, vegetarian, gluten-free, vegan meals, take-out, big party and meeting facilities, catering, and handicap facilities, as well as complimentary valet and self-parking.

The Food

The next step in the evolution of American Stir-Fry, Big Chow Grill is all grown up and delivering big American-Asian flavors with more healthy ingredients. The main attraction at Big Chow Grill are the two market fresh create-your-own Stir-Fry Bars loaded with more than 70 ingredients including more seasonal vegetables, more seafood options and more local ingredients. They only use heart-smart canola oil and they use absolutely no MSG. Choose any combination of the 17 signature sauces – all made in house and many of which are tailored to sugar-free, gluten-free and vegetarian dietary restrictions.

Appetizers include healthy options in addition to signature Asian favorites such as Egg Rolls and Chicken Coconut Soup. The bar features Big Cocktails, Asian-inspired Martinis, Skinny Sips and frozen cocktail classics served in 16-ounce hurricane glasses. Big endings include the signature Big Chow Brownie Sundae – you've been healthy until now, so save room for dessert!
